

ACADEMY STACKING CHAIR

SKU: ACADSPMS

The Academy Stacking Chair is built for high-use spaces, combining everyday comfort with the durability needed for training rooms, meeting areas, and community environments.

A fully moulded polypropylene shell provides dependable strength, while the fixed upholstered seat pad adds a softer, more comfortable feel for extended seating. Lightweight, practical, and easy to handle, Academy stacks up to 10 high for efficient storage and quick room reconfiguration.

With a 135kg weight rating, UV-stabilised construction, and optional tablet arm and linking features available, the Academy is a reliable seating solution designed to adapt to a wide range of applications and backed by a 10-year warranty.
