DRUM BASE D-END HIGH BAR

SKU: DB-HBDEMS

Bring a bold, elevated look to commercial meeting spaces with the Drum Base High Bar Meeting Table.

It offers a spacious high bar surface for standing meetings, quick catch-ups, and team collaboration. The tabletop with matching edge tape provides a polished, hard-wearing finish, while the drum base delivers strong support with a streamlined profile. Constructed from E0 Enviroboard for dependable everyday performance, it also includes adjustable leveling feet for added stability and a wall fixing plinth for easy installation. Backed by a 5-year warranty, it is a practical long-term solution for commercial interiors.
